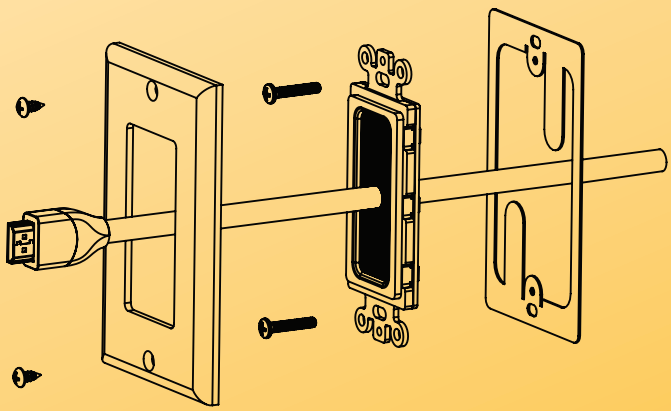
DATACOMM™ ELECTRONICS

Brush Plate Décor Insert
with Décor Cover Plate

DataComm Electronics' patented Brush Plate Décor Insert is used to install low voltage cables behind your HDTV, amplifier or other audio video devices. The Brush Plate Décor Insert is designed to be installed into a low voltage mounting bracket (sold separately) that is installed into the wall.



Features

- Low profile design fits behind the industry's thinnest mounts and TV's
- Conceal multiple low voltage cables behind your flat panel TV
- Easily holds up to 6 cables
- Mounts flush with a décor style wall plate (included)
- Mounts to a standard low voltage mounting ring, old work
